Bellwork:

For 5 minutes write everything you know about the Vietnam War.

Here are some questions to get your brain thinking:

You can use your notes...

How were the French involved?

Who was Ho Chi Minh?

How did the US get involved?

What do the Pentagon Papers have to do with the Vietnam War?

Who were the presidents and their foreign policies?

Review of key events:

As a class, discuss the events in chronological order that you wrote down in the Bellwork... take notes as you discuss these events to further comprehend the Vietnam War.
